

LUCKY ARDHIKA

WEB DEVELOPER

Hi, my name is Lucky Ardhika, I'm currently living in Gunungkidul Yogyakarta; I'm 17 years; In my free time, I like to study about new programming languages, do some programming, play video games and much more.

Currently, I finished some personal projects to learn more about MERN (MongoDB, ExpressJS, ReactJS, NodeJS), Python and Mysql, the 2021 trend programming properties.
